

Tyler Moore

mooretj@rose-hulman.edu
(219) 798-3206

Lowell, IN.
46356

Objective: Find a Computer Science Internship where my work is meaningful and can develop relationships with peers.

Education: **Bachelor of Science, Computer Science** May 2026
Rose-Hulman Institute of Technology, Terre Haute, IN **GPA: 3.7**
Related Courses: Calculus I-III, Physics I-II, Introduction to Software Development, Object-Oriented Software Development, Introduction to Digital Systems

Academic Honors Diploma June 2022
Lowell Senior High School, Lowell, IN **GPA: 4.3**

Skills:

- Developed leadership skills and found ways to improve my work ethic even further.
- Experience in Microsoft Office Suite, Python, and Java
- Carry a high passion for doing things correctly and understanding my work

Experience: **Wii Play Tank Game Remake** Fall 2022

- Worked with a partner to make a remake of the iconic game in Python using pygame
- Focused on 360-degree movement and worked to get angles correct
- Developed a formula for the speed components of the tank and missiles
- Came up with a system for the bullets to bounce in a manner that looked good visually

Arby's, St. John, IN 2020 - 2022
Shift Manager and IT

- Managed shifts focusing on cleanliness and accuracy while:
 - Putting up the best statistics on speed and labor
 - Becoming recognizable to a variety of customers
- Updated all the franchises computer systems for more accurate and logical data entry

Official Finders, Varying Locations Summer 2020, 2021
Umpire

- Managed youth baseball games from ages 7 to 18 with no additional crew
- Entrusted by the league's parents with my knowledge of the game
